

清里ピクニックバスでトレッキングに出かけませんか? Would you like to go trekking by Kiyosato Picnik-Bus?

美し森～羽衣池トレッキングコース

「美し森」と「天女山」をつなぐハケ岳の山麓を横断するパノラマコース

天気が良好な日は序盤の美し森からの大展望が魅力です。ハケ岳をはじめ、南アルプスや富士山、奥秩父などに囲まれ、眼下に清里の森の風景が広がります。羽衣池を經由して進むと川俣川に流れ込む小滝、そして森を抜けるとワイドな景観が見所のハケ岳牧場へ。さらにその先天女山へ向う場合はハケ岳の森の中、カラマツやミズナラの木々を見ながら。天女山の向こう側には天の河原という眺望のよいポイントもあります。

●サンプルコースの時刻は2台運行日です。天女山までは県営牧場のから約40分かかります。

Utsukushimori / Hagoromo Ike pond Trekking Course

A panoramic route that crosses from Utsukushimori to Tennyosan on the hills of Yatsugatake. On a sunny day, the full view at the beginning of the route in Utsukushimori is attractive. You will be surrounded by Yatsugatake, Minami Alps, Mt. Fuji, Okuchichibu and the vast forest of Kiyosato below. When you proceed passing by Hagoromo Ike pond and Kotaki fall, the little fall dripping into Kawamatagawa river, and through the forest, you will come to a scenic Yatsugatake Bokujo Stock Farm with a panoramic view. To Tennyosan, the route goes through the larch and deciduous oak forest of Yatsugatake. There is another scenic observation point called Amanokawara on the other side of Tennyosan. We recommend hiking to the point when the weather is nice.

●The time of the sample course is two buses operation days. It takes about 40 minutes from Yatsugatake Meadow to Tennyosan.

KEEP農場～吐竜の滝コース

アンデレ教会裏の牧草地を通り吐竜の滝へ向かうルートです

アンデレ教会横から牧草地へ出ると、ハケ岳を眺めながらの広々としたフィールドが爽快感を与えてくれる場所です。森の中へ入ると、渓谷へ向かうならだらかな下り。樹林の心地よさを味わっているとだんだん沢辺の水音が聞こえてきます。川俣川渓谷は小海線の鉄橋横にです。川沿いの道に降りるときには細くて急なところがあるのでご注意ください。

●サンプルコースの時刻は1台運行日です。

KEEP Farm to Doryu-no Taki fall Trekking Course

You will be refreshed in the spacious field with a view of Yatsugatake in the meadow after passing St. Andrew's Church via Stations of the Cross where 14 figures depicting the life of Jesus are placed. In the forest, you will go gradually down the cozy path to a place where you can hear the sound of the stream and to the point by the iron bridge of Koumi line railway in Kawamatagawa valley. When going down to the path along the river, be cautious as you will pass through narrow and steep spots.

●The time of the sample course is two buses operation days. It takes about 40 minutes from Yatsugatake Meadow to Tennyosan.

川俣川渓谷東沢トレッキングコース

長い年月をかけて刻まれたハケ岳屈指の渓谷美を堪能出来るお勧めのコース

川俣川の上流域に位置するため、水量豊富な渓水と大小の滝や奇岩、周辺山麓には珍しいブナの天然林やサワグルミの巨木などが魅力です。ルートは終始渓流に沿って続き、小さな鉄橋によって流れを横切ることもしばしば。この渓谷に入ると夏でも涼しく、聳立つ崖壁と四季折々に装う樹木の織り成すコントラストは見事。ことに新緑と紅葉の時期の「吐竜の滝」は圧巻です。清里駅や清泉寮などを起点とした場合でも車道を歩かず済む林間のトレイルも整備されており、それぞれの起点からの周遊ルートも多様です。

●サンプルコースの時刻は2台運行日です。

Kawamatagawa Higashizawa valley Trekking Course

On this route, you can fully enjoy one of the best valleys of Yatsugatake that was chiseled over a long time. Because it is located at the upper stream of Kawamatagawa river, generous clear and cold water flow, large and small falls, rocks in various shapes, rare natural beech forest and towering wing-nut trees are of interest. The route follows along the stream all the way, with occasional crossing over of the stream on small iron bridges. The valley is cool even in the summer, and the contrasts between the soaring walls of the valley and trees in different seasons are magnificent, notably Doryunotaki falls in the spring and fall to be the highlight. When you start from places like Kiyosato station/ Seisen-ryo, trails in the woods are well-maintained so that you don't have to walk on driveways. Also, there are various routes from every starting point.

●The time of the sample course is two buses operation days. It takes about 40 minutes from Yatsugatake Meadow to Tennyosan.

県営ハケ岳牧場トレッキングコース

清里のトレッキングコースで一番人気

県営の牧場の広大な敷地の中をハケ岳の雄姿を見ながらのんびり歩くルートです。コースの途中まで舗装道路の為に簡単に絶景が楽しめる所がポイント。牛が放牧され牧歌的な清里をイメージするには最高のロケーション。ルートの途中にはテーブルのある見晴台があり、ハケ岳の美しい姿を見ながらランチや休憩にお勧め。

●サンプルコースの時刻は2台運行日です。

Prefectural Yatsugatake Bokujo Stock Farm Trekking Course

A route in the Yamanashi municipal pasture where you can leisurely walk with the grand view of Yatsugatake. Because it is paved partly, you can easily enjoy the picturesque scenery. Cows are let out enabling it to be the best location for enjoying pastoral Kiyosato. There is an observation deck in the middle of the route suitable for a break with a beautiful Yatsugatake view.

●The time of the sample course is two buses operation days. It takes about 40 minutes from Yatsugatake Meadow to Tennyosan.
